

BILL: **F2015-SB5**

TITLE: **Burgin Lodge Contingencies**

SPONSOR: **Ilana Gratch, President**

DATE: **October 28, 2015**

Whereas the 2014-2015 Senate pledged to fund two-fifths of the cost of the Burgin Lodge construction with a cap of \$40,000,

Whereas the 2015-2016 Senate received an update this year that permits have been acquired but funds have not been raised in full,

Whereas the requested \$40,000 has been tied up in an account where other student organizations cannot access it,

Be it enacted...

If all fundraising is not completed according to the budget projections presented to the SGA Senate on October 18, 2015 by February 8, 2016 the \$40,000 will return to the SGA Budget to be allocated to other student organizations. The Burgin Lodge team would be welcome to return to the Senate once closer to construction to make the request again. The request would be subject to the state of the SGA Budget at that time.
